WE GET LOG OF DESTROYER CAMERON

RIGHT-OF-WAY DELAY IS CRITICAL

CITY COUNCIL RAPPED FOR POLICY OF DELAY

Cameron and Milam County are faced with a critical development today on the all important right-of-way construction on Highways 190 and 36.

Incredible as it seems, neither the City nor the county have secured right-of-way for this vital artery of traffic that feeds this section and forms one af the most important links in main travel highways in Texas.

Milam County was not due for criticsim because the State Highway Department has not forwarded requests for deeds from the city limits west to the Bell County line.

In the city of Cameron the story was different. Here business men were faced with the appalling fact that although the matter of right of-way has been pending for more than a year, not a single deed has been obtained. Committees have been working and every property owner has been contacted and now we have another committee. What for, no one knows.

It is clearly the duty of the City Council to obtain these deeds and to find some method of financing this right-of-way. Ask one of them, and he will either tell you he knows nothing about the matter or the matter is pending. The awful truth is that the matter has been pending so long now, that we may lose these highways.

Cameron businessmen should know the fact and here they are, simple and

(turn to page six)

TOO LITTLE AND TOO LATE IS VERDICT HERE

Too little and Too late crippled with the apathy that has gripped this city so long have apparently lost the Dogwood Trails, so earnestly desired by so many.

Cameron's failure to treat seriously an appeal for organized suport of the trails has resulted in another city stepping in and taking over the project.

The Chamber of Commerce at Hearne has already announced plans and land has been leased near Gause where the trails will be laid out through the Dogwood Forests. The first official entourage will be made next spring when the trees are in bloom.

There was no difficulty to find support in Hearne and Gause leaders who first brought it to Cmeron have now turned to a city in another county and it appeared that the natural wonders near Gause will now be brought to the attention of many thousands but all of the benefits are lost to us.

D. G. Humble New Lawyer Opens Offices Here For Practice

D. G. Humble who is well known to the people of Cameron and who has lived here at intervals during past years, has returned with his law degree and will enter practice in this city.

Mr. and Mrs. Humble are currently trying to locate suitable living quarters and want an unfurnished house or apartment.

Mr. Humble has opened an office on the second floor of the Lippman building, located at the corner of Houston and Main.

Mr. Humble graduated from Reagan High School in Houston and attended Temple Junior College for two years and then went to Law School at Baylor University where he obtained his degree .He will receive his license to practice next Tuesday, September 26 from the Supreme Court in Austin.

People in Cameron are glad to welcome this new lawyer and his family. Mrs. Humble and their two year old son are here also and are looking forward to home and work in this community.

NEW MOTOR FIRM OPENS IN CAMERON

MARAK CHURCH SLATES PICNIC OCTOBER 15

The annual Fall Picnic and Bazaar at the Marak Catholic Church will be held on Sunday October 15 beginning with dinner at 11:00 A. M. Supper will be served from 5:00 to 7:00 P. M.

Auction features and the picnic program will get underway at 3:30 in the afternoon when cotton will be sold and the proceeds will go to the Parish.

A special feature of the day will be concert music by the Taylor Brass Band with Frank Zurovetz directing. There will be a big dance at night and the music will be given by the Taylor orchestra.

SS Cyril and Methodious Church each year provides this magnificent entertainment for the people of this area and people always respond with large attendance and the picnics are financially successful. As evidence of the fine leadership of Father Ben Holub, a new church and recreational building have been constructed during the past 2 years.

Cameron Youth Held On Burglary Charge; Breaks Into Station

Riley Whittington, 19 year old Cameron youth is in Milam County jail and being held in a burglary charge in connection with the robbery of the Horned Frog Service Station in Santa Fe Town.

Sheriff Carl Black was called to the Station Sunday morning by Williard Glaser, who found Whittington asleep inside the merchandise department. The youth said he had been drinking. His pockets were filled with chewing gum, candy, also a carton of cigarettes and $1.98 in money. He told the Sheriff that $1.00 of the money belonged to him. The Service Station is operated by Thomas Raymond.

Whittington was held in jail here some time ago under suspicion of being a peeping Tom, having been arrested by police officers Mann Arnold and Dick Harris but they could not develop charges and he was released.

8 Charged Here In Corporation Court; Drunk and Disorderly

Saturday night hilarity got beyond the convivial stage here and eight persons were charged with drunkeness and disturbing peace, it was reported by City Marshal Joe Richter.

Mr. Richter said the cases were filed in corporation court and it was presumed all paid the usual fines. Some of the men arrested were drunk while others engaged in knuckle practice. Among those arrested is one white man.

Things have been rather exciting in the City for some time due to heavy drinking and fights but Saturday night officers were forced to take a hand when violence broke out.

Retail Sales School Will Be Held Here October 2 Through 6

A Retail Sales School will be held in Cameron from October 2-6, it was announced by Bill McIntosh, president of the Chamber of Commerce.

The School is made possible by the Division of Extension at the University of Texas.

Lucille Dunn, retail training specialist, at the University is to be the instructor.

Merchants here have requested this course and have reported the Credit School during the spring beneficial.

Classes will be held in the Rotary and Lions Club room at the Milam Coffee Shop and the cost of the entire course is only $1.50 per person.

MARINES ARE LIBERATING ANCIENT KOREAN CAPITOL

TOKYO, Sept 27—American Marines raised the Stars and Stripes over the National Capitol of Seoul while other forces whipped out a 215-mile Allied noose around many thousands of Reds in the South.

All indications, including a broad appraisal by General MacArthur, were that the North Korean invaders were staggering and stumbling to final defeat in South Korea.

They still resisted in places with fatalistic fury, however.

The master strategic stroke arising from the 12-day-old Inchon beachhead operation and the offensive from the south was the merging of the two Allied fronts by forces meeting from north and south.

The Allied lifeline for victory now runs unbroken for the 215 miles diagonally across the peninsula—from Pusan on the extreme southeast coast, through the mop-up battles in Seoul, to the Inchon second front beachhead on the Yellow Sea. The Reds once were within 30-odd miles of Pusan port.

Red Korean rule over the ancient capital city and most of South Korea seemed al but crushed—three months and two days after the Russian-armed Reds invaded the United Nations-

(turn to page twelve)

CITY STILL DELAYS ITS PART ON HIGHWAYS

No progress whatever has been made in securing deeds to porperty necessary for right-of-way on Highways 36 and 190 through the city.

Because the Highway Department has received no indication that this right-of-way will be obtained, the commissioners did not allocate funds currently being set aside for primary highway construction.

Deeds must be obtained for the right-of-way through the city and also from the city limits to the Bell County line. The later requirement is the responsibility of the Commissioners Court but the Highway Department has not yet given the court copies of deeds for right-of-way needed.

In the City of Cameron it is a different story. The City Council has had a request on these deeds for almost a year and until this good hour not one single deed has been signed.

So far as known the city has no plan to finance this right-of-way but the council may have considered this. The city has no money and might have used parking meter funds had "the needy families" not been taken care of first. Like all other funds available, the council spends them lavishly, with no thought of buying anything worthwhile.

NEW MOTOR FIRM OPENS HERE SATURDAY

Schiller Motors in the formal opening of their auto agency and service plant at the corner of N. Travis Ave. and 7th St. reported here Tuesday that 7,000 people visited their new building and a total of 5,718 registered for the free gift of the Norge Refrigerator.

The new plant is one of the finest and most modern automotive establisments of Central Texas and a credit to the foresight of Jerry Schiller and Milton Schiller, leading young business men here.

The new building marks the departure from the congested areas of the city and is located on the new right of way for highway 36 through the city. It has definitely created a new business center for the city and is a sparkling new monument to progress in Cameron. It has changed the entire appearance of an otherwise drab section of the city and those who see in these developments the kind of progress the town needs are rejoicing and commending these young men for the faith they have manifested in the future of the bus-

(turn to page six)

Gause Pee-Wee Team Sets Intersectional Schedule of Games

Three intersectional games are on the playing schedule of the Pee Wee football team of the Gause Public Schools. The eleven were made famous in Junior football by its participation in last year's Milk Bowl, national classic for small fry elevens.

The intersectional games are Kilgore there, September 30th; San Saba there, October 21st and Mexia there, October 26th. Some negotiations have begun for a game with Shreveport there. Other contests are Lexington at Gause, October 12th and Lexington there, November 16th. There are two open dates.

Recently appointed as head coach is Fletcher A. Wilson of Jacksonville, a graduate of Sam Houston who has as his assistant, Bill Harrell of Gause who was on the Gause staff last year.

The Gause squad all under 100 pounds and not over 14 years of age, are smaller in number than last year, but most of them are all seasoned players with more than ten games experience.

Mexican Held On Burglary Charge Escapes Jail Here

Irinia Salzar broke jail here Sunday afternoon and was still at large Monday.

Sheriff Black discovered Salzar running away from the jail shortly after the prisoners had been fed. He fired several shots at the fleeing man who escaped into the river bottom.

Bloodhounds were quickly brought in from Bryan and the man was trailed to a place on the river southwest of the city and there lost.

Sheriff Bilack said the Mexican was being held in connection with the burglary of a store in Buckholts. The Sheriff said the man is believed to be a migratory laborer and may be trying to make his way back to Mexico.

Belt on Head With Chain Brings Arrest

Jimmy Patterson paid a fine of $15.00 in City court Monday on a charge of having assulted Harvey Simmons Saturday night at Hill Top Tavern.

The arrest was made by Dick Harris, night marshall who said the trouble started with a quarrel inside the tavern and both men went outside. Patterson is aledged to have picked up a chain and slashed Simmons over the head.

British Consul Expresses Gratitude of English People and British Navy In Presenting Log Of Destroyer Cameron Here Tuesday Night

Your Honour the Mayor and Citizens of Cameron:

"This badge was carried proudly by the ship which bore the name of your city, and at the same time the name of one of the Scottish clans It was your ship, it had ties with Texas and your committee sent tokens of friendship to the men who manned it.

"Now it is a part of history. It was one of the old destroyers which, having faithfully served the United States, had a glorious end to their career in saving Britian from starvation at a time when every ship which successfully crossed the submarine enfested waters of the Atlantic was a new miracle and a new blesing. Your ship was one of those gallant "Old Maids of the Sea" which tirelessly patrolled the sealanes until one by one they went down to the enemy torpedos or bombs."

"We have to thank them, and you, many of us, that we are alive now. Sometimes the stocks of food in the country were down to a few days' ration, but ,thanks to the destroyer patrol, the foodships came in, and Britain carried on.

"As a Scotsman, I am glad your ship and city have a Scottish name. My clan is a branch of the Clan McDonald of Glencoe, and my ancestors must have been neighbours of "The Cameron men." Not neighbourly, but anyway neighbours, and though we doubtless fought, it was always with respect and a felling that it was all in the family.

"The links between America and Britain are old and continually renewed. We have several hundred years of history in common, some years in conflict and in this century a record of friendship which is no longer a matter of wonder, but rather a matter of course. It is the foundation and basis of British Foreign Policy, and though from time to time we get mad with one another, I doubt if Americans and Britishers ever say such hard things about one another as do Republicans and Democrats or Conservatives and Laborites. We are lucky in meeting for the most part on common ground, and since the signing of the Atlantic Pact, we can regard the ocean as a link and no longer a barrier.

"There are many ties between Scotland and Texas. Scotland takes her alphabetical place on the list of countries who sent their sons to fight for Texas at San Jacinto, and though Scotland comes at the end of the list, A Scotsman, Sam Houston, was in the foreground of the battle Where alse would you look for Scotsmen, anyway? Now again you have them fighting alongside Americans in Korea, and I saw the first Scottish casualty lists in the British papers a few days ago. Sam Houston's family came from Dumfriesshire, where I believe some of them still live.

"Cameron in Scotland is a wee bit villiage about 5 miles south of St. Andrews on a country road. I cannot say for sure, but I believe I may well have walked through it on a lonely walk trying to learn Greek verbs. Just about the time I was airming to get into Oxford, I heard that Greek, which was a necessary subject in the entrance examination, was going to be dropped, and so I paid too little attention to my Greek. It was not dropped, and I suddenly was faced with the necessity of some intensive study in that language and had to give up a trip to Jamaica which I had planned, and go to a professor at St. Andrews, who kept my nose sternly in my Greek grammar book. St. Andrews is the home of golf, and I would like to have played on the Royal and Ancient Course, but the only kind of exercises I was allowed to take part in was long walks, committing Greek verbs to memory. There may be, among the ghostly echoes around Cameron church, a whisper of agapo, agapas, agapa, agapoume, agapate, agapoun, still lingering from my passage through the village, but I am ashamed to say that I have no mental picture left in my memory of what Cameron looked like. Maybe I was attending too closely to my work. I remember the strong perfume of fields of beans in flower, but nothing of the village round about.

"The Cameron was eventually broken up, and the steel was used for new ships, no doubt. But the bonds which were forged by these fifty destroyers which came to us in our time of need are stronger than steel and will not be broken Their crews and

BRITISH ADMIRALTY IS GRATEFUL TO CAMERON

Relations between the British Empire and the little city of Cameron were made stronger last night in an exchange of ammities incident to the presentation of the log and mementos of the Destroyer Cameron.

The program was a new emphasis on understanding and mutual conception of the Democratic way of life between the people of the United States and those of the British Commonwealth of Nations. It was easy to discern that the future of both countries lies along the road to unity and common aims, and despite the fact the American people in the past have had occasion to quarrel with their British cousins, two wars with common menace to both nations have cleared away all feelings arising from past differences and the two leading Democracies in the World now realize more fully the responsibility they share in a common bond to preserve freedom that is so inherently a part of the life of the English speaking tongue.

Good feeling was set off in the beginning by an address by James Thyne Henderson, British Consul General at Houston who presented the log of the ship and other mementos. Mr. Henderson, a Scotsman, drew warm applause in an extraordinary address that was a diplomatic triumph for his Majesty's government.

This address will be carried in full in this newspaper Thursday.

Bill Burns, President of the Rotary Club, sponsoring the ceremonies, was superb in his introduction of the British Consul and later in presenting other speakers on the program.

The people of Cameron are widely conversant with the facts surrounding the acquisition of 50 destroyers by the British Navy in 1940. There was no thought of advantage one way or another and all speakers were unanimous in their theme of mutual understanding between the two peoples. Mr. Henderson revealed that the Destroyer Cameron, which was, before it bacame a part of the British Navy, the U. S. S. Welles, after a brilliant record in the convoy service has long since been reduced to scrap and its metals now gleam in

(turn to page twelve)

To Keep or Not to Keep Civic Music In Cameron That Is The Question

Will we let Civic Music die or will we continue to bring the people of Cameron and Milam County cultural music?

That was the all important question at a meeting of the officers and the board of directors of the organization Wednesday morning who met in the lobby of the Cameron Hotel.

Cameron, in the main, has been very successful in the past two years in putting on campaigns but there has been considerable pessimism about putting on a drive this year.

The officers and directors are willing and at the same time very capable to try again this year but they need the merchants, businessmen, civic organizations to back them in their worthwhile efforts and support this cultural achievement that they have so dilligently worked for in the past two concert seasons.

If the people of Cameron do not awaken from their Rip Van Winkle slumbering, they are hopeless and it is time for the people of our fine city to realize this important factor.

A little cooperation and backing from citizens here will no doubt make the campaign a big success this year.

We, as citizens of the Friendly city, should keep this worthwhile and cultural movement alive for the benefit of our children and future generations. If we do not look after and prepare for our posterity, just what kind of people are we anyway? We will soon be back in the "Dark Ages."

So let us suport and back Civic Music and keep the better things for our children to enjoy. Lets all pull together, we've done it before and we can do it again.

Miss June Tindall of Houston spent the week end visiting Mr. and Mrs. Ed Tindall and friends.

PVT. DONALD BATTE IS WOUNDED IN ACTION

Pvt. Donald Batte has been wounded in action in Korea, it was reported here Saturday by Mary Belle Batte.

Pvt. Batte enlisted in the Army in November 1949 and went overseas in the spring of 1950. He is 18 years old and has seen considerable action in the violent fighting incident to the defeat of the Reds in Korea.

A telegram has just been received here signed by the Adjutant General of the Army. The telegram reads: "The Secretary of the Army has asked me to express his deep regret that your son, Pvt. Donald Batte was slightly wounded in action in Korea on September 14th.

Pvt. Batte was adopted and reared in the home of Miss Mary Belle Batte and is the great grandson of Colonel R. L. Batte widely known Central Texas cattleman and landowner who has been ill at his home for some time.

Friends in Cameron extend their sympathy to the family in their hours of anxiety over the conidtion of Pvt. Batte.

Eastern Star Hears Review On Chapter's History Tuesday

Eastern Star Chapter 553 held its September meeting at the Masonic Hall on Tuesday.

Mrs. Katherine Chandler, Worthy Matron, presided and the regular business hour followed.

Mrs. Virginia Sanders who has been doing research on the history of the Chapter presented in review, the first six weeks of the Chapter.

She pointed out that Mrs. Eula Sessions and Mrs. Annie Isaacs of Rockdale organized the Chapter and the first Worthy Matron was Miss Lina Kemp and the second full time Worthy Matrons were Miss Delphia Scott and Mrs. Bessie Shuchard.

Mrs. Sanders plans to continue the review in the future meetings.

After Mrs. Sanders review, a social hour was enjoyed.

Mrs. Gene Muse and Mrs. Verna O'Brant of Edinburg, Cecil Worcester of Edinburg, John Worcester of Mission were guests in the home of Mr. and Mrs. Henry McLane over the week end and visited their father, N. L. Worcester who is ill. Mrs. Opal Lucas and Lawrence Tiller of Mission, niece and nephew of Mr. Worcester also visited in the McLane home over the week end.

Mr. and Mrs. L. E. Tomkins and Jeanne of Victoria were guests in the home of Mrs. Clara Brashear here over the week end.

REPORT IN RUSSIA IS PRESSING FOR PEACE

TOKYO, Sept. 25—The end of the Korean war appeared to be in sight today, three months after the North Koreans poured across the 38th parallel and 10 days after United Nations forces went over to the offensive with their landing at Inchon.

The only thing that can save the North Koreans from defeat is Russian, or Communist China intervention. High military sources believe neither will risk it.

Russian intervention on behalf of the North Koreans would set off World War III. Military men here believe Russia is not yet ready to challenge American air power, despite the superiority of Soviet ground forces, in quantity and possibily quality.

No Importance

Russia aparently is preparing to write off the crumbling Communist campaign in South Korea as an incident of no importance .

The best informed American officials in Washington say the Soviet position is not completely firm yet but is clearly tipping toward acceptance of the Red set-back in that area.

Military men also believe Communist China will not throw away its chance to win a seat in the United Nations, which intervention would mean at this time.

However, there is strong belief in Washington that the Soviet forces or possibly Chinese Communist troops may occupy the country north of the 38th parallel for the expressed purpose of keeping peace but actually to prevent U. N. Forces from getting close to Russian security areas like Vladivostak and the Manchurian border.

Many To Die

But many young men will die or be mangled in the heavy fighting still raging in the stench of Korea's muddy rice paddies and dusty highways.

General MacArthur has forged the hammer and anvil of victory and military men now measure the war in weeks, not months.

Some informed sources look for North Korean collapse between the anvil of Maj. Gen. Edward M. Almond's 10th Corps in the north, and the trip-hammer blows of Maj. Gen. Frank (Shrimp) Milburn's first U. N. Corps and the Republic of Korea divisions in the south, in two to four weeks.

They could be wrong, and if the Communist can extend the war into the winter months it might drag on.

Pressure for Peace

Reports from North Korea, through a source which has proved reliable in the past, said Premier Kim Ii-Sung and his advisers are under pressure to seek peace.

It was believed, however, that Kim and the highest members of his government will flee North Korea to a Communist haven before the surrender, leaving that distasteful job to subordinates, who may not be liable to answer to a war crimes court for their conduct.

Miss Ann Luce of Milano shopped in Cameron Friday.

Yoelets Defeated By Brenham B Squad 7-0

The Yoelets were defeated by the Brenham B Squad last Thursday night by a score of 7-0, it was reported by Coach Gene Williford.

The Yoelets made 14 first downs to the Cublets 6 and made considerably more yardage from scrimage. The Cameron team out played the Brenham team throughout the entire game and the Yoelets had the ball in scoring position several times during the game but were unable to carry it over. The Yoelets were penalized 140 yards during the game.

The Cublets capitalized on a Yoelet fumble in the third quarter on the Yoelet 17 yard line and on several power plays scored from the 4 yard line and added the extra point by running it over.

The Yoelet line has an average weight of 150 pounds and the backfield 135 and should have a number of prospective players for next years A Team. The Yoelets will play the Cublets here Thursday, October 5.

24 MEN CALLED UP FOR ARMY PHYSICAL

Milam County Draft Board has received the fifth call for men to report for pre-induction physicals. The call is for 24 men.

Mrs. Loretta Brock, chief Clerk, said Friday morning notices will be mailed within a few lays to the men who are to report.

The men will leave Cameron October 24 for Recruiting Main Stations of the Army and Air Force in Dallas and will have their examinations on the 24th. These men are in the 21 age group.

Mrs. Brock said that after a man has received notice from the local draft board to report for his pre-induction physical, he cannot enlist in any of the armed forces and this rule should be thoroughly understood by those men subject to draft call.

Any person receiving notice of pre-induction physical and desiring information about such notice should report to the local board for such information.

This call is the fifth since the Korean war began and the 10th for Milam County under the 1948 act.

In the previous four calls a total of 40 men were called up and this runs the total up to 114.

State draft boards were called upon this week to furnish 10,366 men for armed forces pre-induction examination from October 16th through the 27th. This brings the number of men called for these tests in Texas to 40,516 since the beginning of the War in Korea.

First inductions of Texas into the armed forces since the war in Korea began on September 13th.

Nine men from Milam County will leave for induction into the army on September 29 and a call has been scheduled for October and November.

More than 2,500 are scheduled to be inducted in September in Texas and a like amount in October. A state call for 3,453 for induction in November has been received from National Headquarters but quotas for local boards for this call will not be issued by state headquarters until early October.

PRICES SLASHED

IT'S OUR BUSINESS TO MAKE NEW METHODS EASY

You switch to new farming methods only because they mean a bigger income. You will continue with them only if they are convenient as well as profitable. That's where we come in.

It's our job — our challenge — to fit modern machinery to modern farming. No one except the owner has a bigger stake in productive farm land than we do. Let us show you a new handbook, "Making Paydirt Last." It looks at soil management from your side of the fence, with practical ways to keep cropland, grassland and woodlots paying extra profits.

We're always glad to talk to you about ways to make power machinery serve you better. And if we don't have all the answers, we'll get them for you. That's our business.

HOUSING SHORTAGE IS ACUTE DESPITE GROWTH

A total of 319 new homes have been built in the city of Cameron in the last 10 years or less time. This figure is disclosed in a recent census survey that takes into account home building in all sections of the United States.

It is disclosed in the same census that Milam County showed a loss of dwelling units and this fact would be in keeping with the decline in all agricultural areas.

In counties where an increase is shown, the results were obtained through industrial development and Milam County is no longer considered important politically because it happens to be attached to a Congressional Department where those elected do not have to depend upon the people here.

There was a time when those who held responsible places sought and were glad to get an introduction to the people of Milam County.

In view of this growth in the City of Cameron it is difficult to reconcile this information with the census report. There have been enough new homes built and occupied by families to have increased the city's population more than 2,000 but when it came to counting the citizens our fate was left to outsiders and the official count will show only a slight increase but the people here know that Cameron has around 6,500 people including territory adjacent to the city limits.

As the growth of 319 new homes is reported, people who want to move here are kept away because there is no housing. New prospective residents here come in almost daily to this newspaper trying desperately to find a place to live and there has been no appreciable effort to remedy this situation.

The City Council turned down a housing project and for what reason nobody has ever been able to find out.

Businessmen should be up in arms over this unexplained resistance to growth.

Miss Gladys Lucas of Dallas spent a few days here this week while on vacation visiting her parents, Mr. and Mrs. G. C. Lucas at Minerva and other relatives.

Tom Whipple of Rockdale visited Marian Worchester here who is ill at his home this week. Friends of Mr. Worcester wish his a speedy recovery.

Mrs. S. M. Harrell and daughter, Evelyn of Jones Prairie were visitors in Cameron one day this week.

JONES PRAIRIE NEWS

By MRS. S. S. HICKMAN

Officers and teachers at the Little River Baptist Church were elected Sunday as follows: Sunday School Superintendent, J. D. Martin; Assistant, E. B. Yager; Ladies Adult Class Mrs. S. M. Harrell, assistant, Mrs. H. P. McKinney; Mens Class, Rev. Stanley Ray, Assistant, Robert Glenn; Young People, Mrs. Joe Bailey; Juniors, Miss Eula Lane Swet, assistant Mrs. Jack Pond; Beginners, Mrs. Robert Glenn, assistant, Mrs. C. H. Massey; Treasurer, Miss Ethel McKinney; Clerk, Mrs. J. H. McNeile; Choir director, Bailey Jones and pianist, Mrs. J. D. Martin.

Mr. and Mrs. A. H. Patzke and son Ra,y were recent guests of Mr. and Mrs. J. G. Henderson of Houston.

Mr. and Mrs. J. T. Swazy of Ben Arnold, Mr. and Mrs. Floyd Swazy of Burlington and Mrs. C. H. Massey visited Mr. and Mrs. Archie Massey of Houston last week end.

Mr. and Mrs. S. T. Burnett and daughters, Ruth and Dorothy, of Freeport are visiting his parents, Mr. and Mrs. A. L. Burnett.

Mr. and Mrs. Clyde McCarty and son of Opelousas, Louisiana are visiting his parents, Mr. and Mrs. Mack McCarty.

Mr. and Mrs. Jack Stidham and children, Patsy and Jackie and J. C. Komar of Burnett visited Mr. Stidham's parents, Mr. and Mrs. T. B. Stidham here recently.

Dr. W. J. Fontaine was a Cameron business visitor last Saturday.

Mrs. Red Massengale of Maysfield and Mrs. Dean Baird of Austin spent last Thursday with Mrs. Ben Massengale.

Guests in the home of Mr. and Mrs. Bailey Jones last Sunday were Mr. and Mrs. E. E. Pool, Mrs. J. A. McKinney and Miss Ethel McKinney.

The W. M. S. met at the church last Thursday September 21 at 1:00 P. M. for the Mary Hill Davis program. The associational president, Mrs. John A. Smith Sr. of Cameron was a guest. Later in the afternoon, a brief intermission was held and Mrs. S. M. Harrell served chicken salad sandwiches and bottle drinks. Mrs. J. A. Jamison, vice president, presided over the session at which time officers for the new year were elected as follows: President, Mrs. S. S. Hickman, Vice President, Mrs. A. L. Burnett and Secretary-Treasurer, Mrs. Dewey Black.

Mr. and Mrs. Hetzel Burnett and son, Rodney of Houston spent last week end with his parents, Mr. and Mrs. J. H. Burnett. Other guests in their home were their daughter and son-in-law, Mr. and Mrs. J. D. Martin.

Look. After a month—or a year—of use on a properly adjusted gas range, pan bottoms are so clean they won't soil the daintiest handkerchief. You can see it—you can believe gas is clean.

Seeing is believing

Only the live gas flames consume greasy vapors produced in broiling. You broil with the *broiler door closed* so no greasy vapors escape to soil the kitchen. Look. See how, see why it's so clean.

which is the cleanest-cooking,

easiest-to-keep-clean range

NO matter what kind of range you now cook on, it couldn't possibly be any easier to keep clean than a modern gas range.

Tops are one-piece . . . oven corners are rounded, eliminating dirt-catching, hard-to-clean places. All surfaces, inside and out, are porcelain or chrome—easy to clean as a china dish. Often-soiled parts such as burners, grids and spill-over trays are plate-size for dishpan sudsing.

Easy? Just the easiest-to-keep-clean range in the world! No wonder 96 out of 100 women in the Southwest area cook with gas!

* Lone Star Gas Company and many dealers are offering special trade-in allowances during October and November.

On display and sale almost everywhere.

Gerry Kolodjcak Honored On Eighth Birthday with Party

Miss Gerry Kolodjcak, daughter of Mr. and Mrs. F. R. Kolodjcak of Route 1, Cameron was honored on her eighth birthday with a party at the City park Sunday afternoon, September 17.

Marie Ellen Zarosky, Ray Wohleb, Jr., Joe and Gloria Mayer, Ladis, Jimmie, Dorothy, Martha and Irene Mayer, Eddie Pavalek, Rudolph Myer, Marvin Junek, Jackie, Connie, Mona and Dusty Mauldin, Catherine Absnider, James Anderle, Jerry and Paula Zotz, Albert Hoelscher, Mary, Rosie Albina and Beatrice Kolodjcak were guests present for the happy occasion.

Following a series of games refreshments consisting of ice cream, cake and punch were served. Each child received a miniature favor.

Gerry received many beautiful and useful gifts and thanked everyone in her charming manner.

Mrs. Vince Lesikar Hostess to Club

Mrs. Vince Lesiker recently entertained the 42 leisure Club at the home of her daughter, Mrs. William Kubes.

Vivitors for the evening were Mrs. Olga Marek and Mrs. Will Ondrej.

After the games, the 84 prizes went to Mrs. Leo Laake. Mrs. John Matyastik had the high score and the second high was Mrs. Pete Bergum. Table cuts went to Mrs. Ted Kuehl, Mrs. Will Ondrej and to Mrs. August Kunz.

Refreshments for the afternoon was apple pie, sandwiches, chips and cokes.

Madeline McClaren Honored With Party Tuesday September 19

Madeline McClaren, little daughter of Mr. and Mrs. Max McClaren, was honored with a birthday party Tuesday afternoon September 19 from 4 to 6 P M.

Madeline invited 18 little guests who called during the appointed time. For party favors she presented each guest with a candy carton with a rake and hoe combination.

After party procedures the birthday cake holding two candles was served with ice cream. Guests were: Thomas David Shapiro, Donna Dubois, Gail Thompson, Margaritta Kestenbaum, Larry Pratt, Inez Claire Evans, Nancy Baker, Jamie Allen, Louise Moody, David McClaren, Lynnette and Valarie Green, Natalie Fleischer, Ronny Bollinger, Betty Bowman, Richard Webb, and Kenny Blake, Benny Dale Laffare.

This was Madeline's first party and unwrapping the gifts thrilled her very much.

Mr and Mrs. F. P. Cotton, daughter and son of Milano visited in the home of Mr. and Mrs. C. E. Smith Saturday afternoon.

Beta Sigma Phi Holds First Fall Meeting

Th Beta Sigma Phi Sorority held its first meeting of the Fall season on Tuesday night at the home of Mrs. Loretta rock, secretary.

Mrs. A. W. "Bill' Morrison, presided and was in charge of the program. Plans were made for programs in the near future and committees were assigned for the coming year.

Members present for the meeting were Mrs. Joe Anderson, Mrs. Charles Smith Jr., Mrs. Busy Raymond, Mrs. Thelbert Crittenden, Mrs. Edd Manning, Mrs. W. A. Morrison, Mrs. Dean White, Mrs. Seth Corley, Miss Edith Starnes and Mrs. Brock.

The next meeting will be held at the home of Mrs. Joe Anderson.

The Talafuse Family Hold Reunion Here

An occasion of great enjoyment was the reunion on last Wednesday of the family of Mrs. Dram Talafuse held in her home in this city.

Mrs. Talafuse had all of their children together for the first time in two years and hours were spent reminiscing over things of the past.

Present were Mr. and Mrs. Raymond Talafuse and children, Patsy Ann, Raymond Jr., Beverly Dean, Mr. and Mrs. William Talafuse, Sgt. D. M. Talafuse of Fort Sam Houston, PFC Wayne E. Talafuse of Maryland, Miss Verun Talafuse and W. L. Talafuse.

Mrs. Talafuse served a chicken dinner with all the trimmings and everyone enjoyed the day very much.

ENGAGEMENT ANNOUNCED

Mrs. V. R. Schmidt announces the approaching marriage of her daughter, Eleanor Schmidt to George R. Hollas, son of Mr. and Mrs. Richard Hollas. Miss Schmidt is the daughter of Mrs. V. R. Schmidt and the late Mr. V. R. Schmidt. The wedding will take place on Saturday December 2nd at St. Monica Church.

Ford Quality Queen

Dark-haired Helen Meyer, 25, of Staten Island, N. Y., has been chosen by Ford Motor Company employes as the 1950 Ford Quality Queen. She's 5'8" tall, a perfect size 12 and says her No. 1 job is to keep house for her husband, Herbert, a Marine veteran, who works in the Metuchen, N. J., Lincoln-Mercury assembly plant. Only hourly employes or members of their families were eligible for the contest.

BIRTH ANNOUNCEMENT

Mr. and Mrs. M. M. Bright of Marlow have announced the arrival of a six pound and one ounce daughter, Dorothy Ann born September 20, 1950 at St. Edward Hospital. The Bright's have a son, Jerry. The mother is the former Phoebe Ann Hairston, daughter of J. W. Hairsaon.

YARRELLTON NEWS

By MRS. LENA RUSSELL

Mrs. Sanders Takes Place With Water Co.

Mrs Virginia Sanders has accepted a position at the Cameron Water Deupartment, it was announced by L. W. Smith, manager.

Mr. Sanders took the position made vacant by Mrs. Mary Della Haines who has accepted a position as bookkeeper at the Citizens National Bank.

Mrs. Sanders began her duties with the company on last Saturday and said she is enjoying her work very much.

Friends of Mrs. Wesley Woods will be glad to know she is improving in Newton Memorial Hospital.

7,700 Bales Cotton Received At Compress

A total of 7,700 bales of the 1950 crop cotton have been received at the Cameron Compress up to Saturday morning, it was reported by P. W. Davis, manager.

Mr. Davis said 1950 receipts are still around 1,000 bales below the figure for this period.

Weather has retarded harvest and the crop will be at least one-third below 1949 production and may fall below that figure on account of the reduction in acreage.

Truman Pratt made a business trip to Houston this week.

Hospital Council To Convene Here On January 17

The Central Texas Hospital held its quarterly meeting at The First Baptist Church in Gatesville Wednesday September 20, it was announced by Harold Thomas, administrator at the Newton Clinic.

Mr. Thomas said that 40 hospitals over the central Texas area were represented. He said the purpose of the meeting was to discuss medical records and the ways of improving service to patients.

Mrs. Curtis Walters, medical record librarian at the King Daughters Hospital at Temple, gave a lecture on medical records.

Dr. V. D. Goodall, of the Witcher and Goodall Clinic of Clifton, gave a discussion on how to improve service and reduce prices in the hospitals.

Cameron was selected at the meeting place for the Council when they convene again on January 17. Mr. Thomas said the place here in the city will be designated later and would be given this newspaper for publication.

Attending from Cameron were Mr. Thomas, Sister Pierce and Sister Kostka.

Quota Enlistments For Navy Increased

Chief W. W. Robbins, the local Navy Recruiter announced today that the quota of enlistments for the Navy has been increased by 50 per cent. This means that the waiting list will be shortened and any man will probably be accepted within two weeks.

The Chief also said that any ex-Navy man and many discharged from other service will not be placed on a waiting list but will be enlisted immediately.

He added that the Recruiting office in Temple is open every day except Tuesday and Sunday.

Polio Epidemic Has Exhausted March Of Dimes Fund Here

A check for $125.00 to help pay for medical care of local polio patients has been received by the Milam County Chapter of the National Foundation for Infantile Paralysis, it was announced today by Mrs. Agnes Lowe, county chapter chairman.

The funds were provided by national headquarters of the March of Dimes Organization. A heavy case-load from the 1949 epidemic, worst in the nation's history, in addition to the costs of this year's polio epidemic has exhausted the chapter's 1950 March of Dimes Funds, the chairman declared.

Mrs. Lowe said that up to September of this year, the National Foundatioi has advanced $5,685,450.00 to chapters whose funds have been depleted by both new and carry-over cases.

At present the Milam County Chapter is providing funds for the care in whole or in part, of two patients afflicted this year and is continuing to pay costs for the care of three stricken in former years.

The two patients stricken this year are Henry Streicher of Cameron and Harvey Klotz of Thorndale and the three patients in former years are Wayne Holliman of Rockdale, Refugio Rodriquez of Rockdale and Janice Simicek of Cameron.

W. T. Condray of Hoyte was a visitor in Cameron one day the past week.

Mr. and Mrs. D. G. Humble and young son of Temple were business visitors in Cameron Friday. Mr. Humble is a young lawyer who recently passed his bar exams and will occupy his law offices soon at 112 West Main Street in Cameron.

Arnold L. Rummel of Burlington was a visitor in Cameron Thursday of this week.

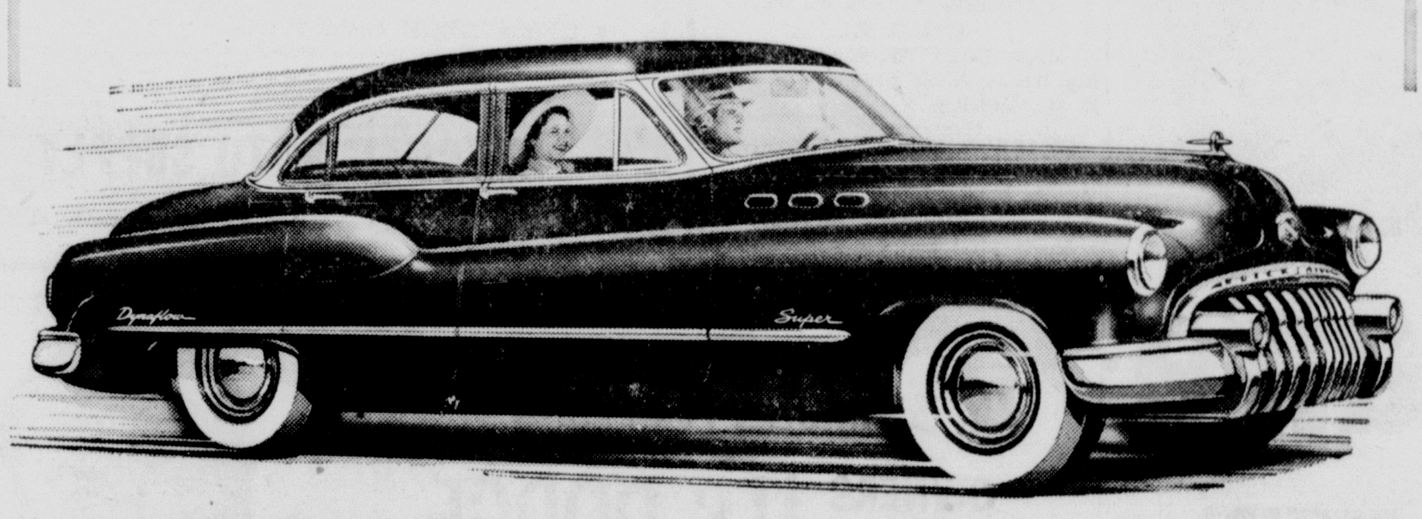
Looking for honest-to-goodness COMFORT?



Better Buy Buick!

You've probably heard a lot of talk about comfort in 1950 cars.

But we'd like to offer one suggestion, which is—*let a Buick speak for itself.*

We'd like to have you settle yourself (your family too, if you have one) on a Buick's soft, deep, comfort-angled cushions, and see how restful they are.

More than this, we'd like you to sample that comfort *in motion.* Slip your fingers around that slender steering wheel, touch toe to treadle and take off in the smooth, unbroken surge of power that Dynaflow Drive* delivers.

We'd like to have you hunt out some of the less-smooth streets or back roads that never seem to get fixed—and put Buick's soft coil springing and solid underpinning to tough and practical test.

All the while, be thinking about what such riding and driving ease can mean on long, all-day trips, and compare it with what you've been used to.

This whole experience is bound to make you want a Buick—and when you ask "how much" you'll get a second pleasant surprise in the low delivered prices your dealer is quoting—prices that start at a level that is actually lower than you'd pay for some sixes.

Your Buick dealer is the man to see and this is the best of all times to see him. Drop in, won't you, to see about getting an order signed?

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

CITY COUNCIL RAPS—
(continued from page one)

brief.

The State Highway Department did not and could not appropriate money for the construction of these highways because the right-of-ways have not been obtained.

The Highway Department is currently allocating funds for these primary projects. The truth is, if another city in Texas and another county in Texas are conscious enough of their needs they will get the money because they went ahead and got their right-of-way while here in Cameron, we spend our money for a worthless thing and put off and delay the essential duties which every public official is honor-bound to perform.

If we could get a few more committees appointed and a few more coffee urns steamed up, we would not only lose all hope for highways 36 and 190. we would lose Highway 77 also.

Do we need a change in our city government or do we want to keep it like it is.

Delays may have already been fatal. If so, every member of the city Council should resign. If not, they should resign anyhow on general principles.

Mr. and Mrs. Fritz Sump, Jr. of Giddings were Sunday guests in the home of Mr. and Mrs. Wesley Pratt.

BRITISH CONSUL EXPRESSES—

(Continued from page one)

the children of these men will know that they served in America, a piece of America which came to them in their need. They will be happy to know that the badge of the Cameron, one of the few parts of the ship which were British, has gone to the city from which the ship took her new name, and that it will be kept in honour in that city, as a sign of belief in a common cause, in fredom and the willingness to fight for it, and of sufferings shared.

"I am lucky that the honour of presenting to you this token of our common faith in democracy has fallen to me. It is a token of gratitude, of comradeship and of hope, which is sent to you by the British Admiralty and people. It looks as if we may find ourselves together in another world conflict, and I am happy that we are together, though I hope the temperature of the conflict does not rise above what it is at present. You may not know it, but for a few weeks British naval forces in Korean waters were superior in strength to yours. This shows that in the future, as in the past, we shall be on your side, that your friends are our friends, that also, as in the case of His Majesty's Ship Cameron, the same ship can serve happily in either navy.

"I have much pleasure in presenting to you, Mr. Mayor, the badge of H. M. S. Cameron and the book about her and her forty-nine sisters."

Henry J Models In Low-Priced Field

THE FIRST ALL-NEW models to enter the low-priced car field in nearly a quarter-century are the Henry J and Henry J DeLuxe, the 1951 sedans now being introduced by Kaiser-Frazer Corporation dealers. Smartly styled and available with four- or six-cylinder Kaiser Supersonic engines, the new models promise exceptional fuel economy of 30 miles to the gallon. Design features include a folding rear seat arrangement which provides more than 50 cubic feet of luggage space. The six-cylinder deluxe model is illustrated.

Mexican Leaders Express Thanks For Co-Operation Here

An expression of thanks to the people for their cooperation in the recent patriotic celebration is made by officials of the Mexican Colony.

Victor Bermudez, secretary, said that although the celebration did not produce the financial results expected, due to the weather, the celebration was well attended and the people enjoyed the entertainment.

The Mexican Colony in Cameron is doing a good job and the entire citizenship looks forward to their celebration each year.

Day Of Prayer Here By Baptist Women

W. M. U. Circles at the First Baptist Church met Monday September 25 for a "Day of Prayer" from 9:30 A. M. to 2:00 P. M.

Each circle presented a discussion on prayer and devotionals were read. Purpose of the meeting is Prayer for State Missions.

Mrs. R. I. Goodrich was chairman of Circle No. 5, Mrs. John Hays, Circle No. 1, Mrs. Franklin Dusek, Circle No. 2 and Mrs. E. A. Flinn, Circle No. 3. Dinner was served.

Mrs. P. A. Corkern met with the Sunbeam Department from 1 to 2:00 P. M.

Circle No. 4 met at the church at 7:30 P. M. with Mrs. H. B. McClellen as chairman, for a business hour.

S. T. Svetlik of Buckholts visited in Cameron this week.

Adolph Marak, Eugene Marak, Rosalie Tomek, Henrietta Slavik and Jo Ann Martek attended the Catholic parish picnic in Granger Sunday. They also visited in the home of Mr. and Mrs. John Bohac.

Rev. M. O'Regan of Burlington was in Cameron Monday on business in connection with the annual picnic to be held at Burlington Hall, Sunday, October 1.

Mrs. Earl Angell has returned from a visit with her daughter in Bay City the past week.

CAMERON WILL RECEIVE LOG OF FAMOUS SHIP

Beginning at 8:00 P. M. on the athletic field, public ceremonies will be held and a full program will be carried out. The British Navy is presenting relics from all of the 50 destroyers named for American cities, and Cameron is the only city in Texas to have been honored. The Rotary Club adopted the Destroyer Cameron and is sponsoring the program tonight.

The program has been worked out in considerable detail and it appeared that weather conditions would be favorable.

The log of the ship and other historic relics will be presented by Mr. Henderson on behalf of the British government and these mementos will be received by Mayon A. N. Green who in turn will present them to W. T. Hanes, Superintendent of Schools and they will be housed temporarily at the school building.

Ceremonies incident to presentation of the log and mementos of the Destroyer Cameron will get underway Tuesday night when Cameron Rotary Club meets at the Country Club for a weekly luncheon.

The Rotary Club is sponsoring the program and entertainment for distinguished guests who will be here to represent the British Navy.

Bill Burns, president of the Rotary Club has announced the club luncheon will be held beginning at 6:00 P. M. tonight and all members are urged to be present and out of town guests are Mr. and Mrs. James Thyne Henderson of Houston and Mr. Holmes, British Naval attache in Washington. The former is the British Consul General at Houston.

Other distinguished guests will be Captain Leonard Mewhinney, U. S. Navy from Houston and Jack Dilliard, District Governor of Rotary and Mrs. Dilliard.

A section of seats in the North stands at the stadium has been reserved for Negroes who wish to attend the ceremonies.

Donald G. Humble Is Baylor Law Graduate

WACO—Donald G. Humble, Baylor University Law student from Cameron, has recently passed his state bar examinations Dean Abner B. McCall of the Baylor Law School, announced.

The barristers took the test in July, Dean McCall said, and the list of those who passed was released this week by Henry L. Steinle, secretary of the state examining board.

Humble is the son of Mr. and Mrs. G. L. Humble of Minerva, Texas.

Mr. and Mrs. John Senkel visited their daughter, Doris who is a student at Durham's Business College in Austin the past Sunday.

Royce C. Curtis New Music Director At First Baptist Church

Royce C. Curtis has accepted the position as director of music at the First Baptist Church, and will be here Wednesday night for Choir rehearsal.

Mr. Curtis is a graduate of the East Texas Baptist College at Marshall and is working on his master's degree at Baylor University. He is well known here as he has been in the city at different intervals.

Mrs. Curtis is also a graduate of East Texas Baptist College and has her degree in Music. They have a four month old son and at the present are living in Waco.

Mr. Curtis will be in Cameron on the weekends and one night during the week for choir practice.

Mr. and Mrs. Albert Drozd attended a SPJST picnic in Granger Sunday.

Billy Peck Called To Active Duty With Navy To Leave September 29

Billy Peck, son of Mr. and Mrs. Earl Peck of Cameron, received word on Wednesday September 20th from the Eighth District Naval Headquarters, Navy Department, New Orleans, to report on September 29th at the Naval Recruiting Station in Houston.

Mr. Peck who has been employed as projectionist at the Swift Theatres for the past 2½ years is in inactive Reserves and will have only 8 days before reporting to duties with the Navy. He served 19 months in the Hospital Corps in World War II, the first 12 months being spent at San Diego at a Disembarkation center and the last 9 months were spent at Camp Wallace near Houston.

Mr. Peck married the former Lillie Mae Martin of Cameron, and she will make her home with her parents here until she receives word as to where he will be stationed.

Future Farm Boys Exhibit 12 Calves In Jersey Show

Future farm boys exhibited 12 Jersey heifers for prizes in the show here Saturday.

The show was sponsored by the Lions Club and held on the Courthouse lawn where there are no facilities for handling such shows. Leroy Thompson, Agriculture teacher at Yoe High School directed the show.

The calf shown by Nathan Peevehouse won the grand prize of $10.00 in the over one year class.

The following prizes were awarded: Raymond Stoebner for the under one year class, $10.00; Buddy Chandler, 2nd prize in over one year class, $7.50, and Tommy Peevehouse, 2nd prize in the under one year class, $7.50. Bobby Bickett won 3rd place in over one year class, $5.00 and Franklin Glaser, 3rd place in the under one year class, $5.00 and the showmanship prize of $5.00 for the best all around calf in the show.

Other boys who entered calves are: Carl Hill, George H. Tyson, Billy Dodson, Robert Glaser, J. C. Weathers, Thomas Dusek and Billy Ichinger.

Judges for the show were H. B. Maxwell, Vocational Agriculture teacher at the Rockdale School and Herman L. Piece, Agriculture instructor at Thorndale School.

Meter Revenues Falling Off; People Resenting Waste of Revenues

Receipts from Cameron parking meters showed a decline from the previous week and no doubt there was some apprehension that new employees and assistant employees might not get on the city's payroll, or salary increases might not be forthcoming.

Only $258.75 was taken out of the meters Thursday, whereas in the previous week, there was $275.00.

This newspaper has been told by a number of citizens who were for the installation of the meters that they would now vote to take them out if the matter could be decided by an election. They say the City Council has failed to utilize these revenues for worthwhile purposes and therefor, the income should be shut off.

One very high placed business man asked the question, "Just think how far $13,000 per year would go toward buying right-of-ways for highways 36 and 190 or to close up the fox holes in our dilopidated streets."

Mrs. H. E. Johnson and baby left this week to join her husbind in Fort Worth after an extended visit in the home of Mrs. L. Janeway. The Johnson's recently moved to Fort Worth from Houston.

Friends of N. L. Worcester, who is ill at the home of his daughter, Mrs. Henry McLane, will be glad to know he shows some improvement. Mr. Worcester has been ill the past three weeks.

TOM C. WHITES IS BURIED HERE FRIDAY

Funeral services for Tom C. Whites were to be held from the Chapel of the Marek-Burns Funeral Home, Friday September 22, at 2 P. M. by Rev. Claude Jones, minister at St. Marks Methodist Church, Fort Worth.

Mr. Whites who had been in declining health for the past three months, died at the home of his daughter Mrs. W. N. Davis, the former Vivian Whites. He suffered a stroke sometime early in the week and died around 10 P. M. Wednesday.

Mr. Whites was engaged in business here for almost 20 years and was best known as a service station operator and was associated in business with the late Mack Fox. He has worked in Temple for the past eight years until his health prevented continuation of his work. He was well known in the city and throughout the county and his death was a shock to many in this area. He was a veteran of World War I.

Survivors are one daughter, Mrs. W. N. Davis of Fort Worth and one sister, Mrs. Bess Sadler of Edinburgh .

Pallbearers were Temple Bland, John W. Lusk, Bill Miller, Bert Massengale, J. C. Holcomb and Bob Terry.

Interment will be made in Oak Hill with Marek-Burns directing arrangements.

HORSTMANN BROS. HERE OBSERVES ANNIVERSARY

Horstmann Brothers Tire Store celebrated its 30th anniversary Thursday September 21st with presentation of awards from the Firestone Company

O. B. Horstmann and August Horstman, owners and operators of the store purchased the business from the late Frank S. Levovsky in 1920 who established it in 1911 and after selling entered the insurance business.

The Tire Store has been an established center of trading and commercial interest for the past three decades and has held its position high among the business firms of the city in offering the best in merchandise of highest quality to consumers in this area.

Their progress through the years has been an example of their character and ability and their ever courteous dispositions have been appreciated by friends and patrons over the span of years and their valued leadership has been a contribution to the welfare of the city of Cameron.

The Tire Store has offered the public the best in quality and the most modern Firestone products for over a quarter of a century and has established a name and rank high among the Firestones executives as well as the good name and reputation they have secured for themselves among the people of Cameron and throughout the entire county.

The Horstmann Brothers are well known throughout central Texas and have lead in sales of certain Firestone products in this district for a number of years. They are also dealers for Hudson cars and accessories and the Hudson is readily becoming one of the most popular cars on today's market.

J. H. Bowman, district manager for the Firestone Company and Harold Crawford, territory salesman, were present for the occasion and presented the Horstmann Brothers each a 14 carat gold pin and in addition to this award the Company presented both a $100 check

Mrs. Norma Webb and son Richard of Louisiana is visiting relatives in Cameron and Marlow this week. They plan to return within a few days.

Temperatures Here Are Running High Despite Norther

Cameron had a high temperature of 95 degrees Thursday and believe it or not, on Friday after the rain and norther, the high was 94 degrees while the low was 68 degrees.

L. W. Smith at the Water company reported .10 inches of rain Friday morning and the following table will show the high and low for the last five days.

	High	Low
Sept. 18	91	70
Sept. 19	95	74
Sept. 20	94	76
Sept. 21	95	72
Sept. 22	94	68

GO TO CHURCH SUNDAY.

Walgreen Drug Store In Cameron Closed; Moved To Weslaco

E. W. Butts, Sr. of Weslaco, Texas has purchased the entire stock of the Walgreen Drug Store in Cameron it was announced here Saturday by A. C. Funk.

Mr. Funk said that the stocks will be moved to Weslaco and Cameron will no longer have a Walgreen Agency Store .

Mr. Funk recently purchased the franchise through bankruptcy court and re-opened the store. It has been closed for sometime because of failure. Mr. Funk said he had no immediate plans but will leave Cameron.

Stanley Pratt was a visitor in Cameron Wednesday afternoon.

"GIVE ME A CAR THAT'S BUILT TO LAST!"

says Mr. James Patrick O'Shea of Chicago

"My big Dodge has everything...famous dependability...extra roominess...ease of handling! Any other car offering as much would have cost $1000 more!"

GYRO-MATIC—AMERICA'S LOWEST PRICED AUTOMATIC TRANSMISSION
Dodge Gyro-Matic lets you set the gear for full power in mud, snow or steepest hills—lets the engine "brake" your Dodge smoothly on long downhill grades. Available on Coronet models at slight extra cost.

No other car can match the Dodge reputation for dependability. No wonder new Dodge owners say you could pay $1,000 more and still not get all Dodge features . . . the economy, the performance, the extra spaciousness *inside* that means plenty of head room, leg room, shoulder room. The compact design *outside* makes traffic driving and parking a cinch.

You'll enjoy Dodge Fluid Drive—the smoother starts, stops, the smoother "going"—yours at no extra cost. Let today's big Dodge put you miles ahead, money ahead—for the years ahead.

AN Electric Food Freezer
ACTUALLY PAYS FOR ITSELF

That's right . . . an electric food freezer actually *pays for itself in savings* for the average family of five! Here's why . . .

You can buy foods of all kinds in economical *large quantities*. You can stock your freezer with fresh fruits and vegetables when they are plentiful, low-priced and at their flavor peak.

What's more, you can cook and bake ahead . . . store entire meals in your food freezer. That way, you can whip up a tasty seven-courser in no time . . . serve out-of-season game and other delicacies. And think of the hours of canning . . . the countless trips to the store you'll save! It's like having a super market right in your own kitchen.

Yes, an electric food freezer pays for itself many times over . . . in *money*, *time* and *energy* saved!

DR. JAMES KILGORE TO BE BURIED IN DALLAS

Dr. James Kilgore, 85, founder and an acting president of Southern Methodist University, died Monday in a Dallas Hospital.

Dr. Kilgore was a member of the original faculty and professor emeritus of philisophy of religion at the time of his death. He was born in DeWitt County and received three degrees from Southwestern University at Georgetown and was ordained to the ministry in 1890.

Although he retired from active classroom teaching several years ago he continued to do correspondence work until recently. He was a trustee of Southwestern University for a number of years and at one time was minister at the Methodist Church at Calvert.

Dr. Kilgore is the father-in-law of Mrs. Gladys Kilgore, daughter of Judge John Watson and the late Madie Basset Watson.

Funeral services will be held at 3:30 P. M. Wednesday September 27 from the Chapel of the Sparkman-Brand Funeral Home in Dallas with Dr. Umphrey Lee conducting. Interment will be made in Hillcrest Memorial Park.

Survivors are three sons, John Edward Kilgore, Dr. Donald G. Kilgore and James A. Kilgore of Dallas; one brother Lee Kilgore of San Antonio and five grandchildren and one great-grandchild.

Pfc. Frank Meek, Jr. Now On Korean Front; World War Veteran

PFC. Frank Meek, Jr., arrived in Korea in August and has been in active duty since arriving there. He reenlisted in the Army after arriving in the states from Europe where he served for 18 months.

In a letter from PFC Meeks to his parents, Mr. and Mrs. Frank Meeks, Sr., he recently wrote:

"Things around here are wet as it has been raining for the past week. We have not yet crossed the Naktong River. We were on the right side of the river and was pushed back about 8 miles, but we have gained back most of the ground except about 2 miles. A couple of days ago, we took a hill and held it until last night when it was raining, and the Gooks rushed the hill and drove us back. So we are now about 3 miles from where we started. The Gooks still have us outnumbered about 8 to 1. The boys can hold them back during the day, but at night, you can't shoot them if you can't see them.

"Also, the supplies are coming in very slow and we are not getting enough mortar ammunition, but we are getting more than enough food and we can get a can or two of cold beer some times. I have a little stove that I heat my rations on and also make coffee.

"Oh yes, when you are in town, have the Cameron Herald sent me for about a year."

ENGAGEMENT ANNOUNCED

Mr. and Mrs. David Bryan announce the engagement and approaching marriage of their daughter, Joyce Marie to Lt. C. D. Murphy of Waco, son of Mr .and Mrs. C .D. Murphy, Sr. of Chicago.

The wedding will take place at the Military Chapel of Connally Air Base in Waco, Sunday, October 1.

Mr. and Mrs. Charles O'Connor of Elgin, Mrs. A. C. Balhorn of Hearne and Harold Balhorn of Seguin visited in the W. W. Balhorn home over the week end.

SOUTH KOREAN CAPITAL TAKEN BY UN FORCES

TOKYO, Tuesday, Sept. 26—United Nations troops liberated Seoul from Communist rule today.

Gen. Douglas MacArthur announced in United Nations communique number nine that the South Korean capital was "again in friendly hands."

The communique said the U. N. forces, including the troops of the U. S. Seventh and First Marine Divisions and the 17th Regiment of the South Korean Army ,had completed envelopment and seizure of the city.

The South Korean capital was the first in the world ever to be liberated from Communist rule.

It was a staggering blow to the North Korean attempt to bring South Korea under Communist rule.

By taking the city the Allies cut off the only good supply routes to the rest of South Korea and opened the way for the return of the South Korean government which fled from its capital three months ago tomorrow.

The city's capture was achieved in just one day more than three months after the North Koreans launched their surprise attack on the Korean Republic. Three days after the invasion started the capital of Seoul fell.

Then the Reds rushed forward in spectacular attacks which now are being matched or surpassed by the lightning speed of the United Nations offensive.

Everywhere in South Korea the Reds are on the run, and for the Allies "victory is in sight," according to Lieut. Gen. Walton H. Walker commanding General of the Eighth Army.

The liberation of the capital city 30 miles south of the 38th parallel boundry with North Korea was achieved just 11 days after the U. S. Marines landed at Inchon in one of the most daring amphibious operations in history.

The U. S. 7th Division which fought side-by-side with the Marines to drive the Communists from Seoul landed at Inchon only eight days ago.

The spectacular victory at Seoul was being matched in the southeast by other Allied troops who were ripping the Communist armies around the rim of the Pusan beachhead.

Miss Claudell Robinson, student at Durham's Business Colege in Austin visited her parents, Mr. and Mrs. Claude Robinson here over the week end.

An announcement by Henry J. Kaiser

Today, at your Kaiser-Frazer dealer, you will see what we believe to be the most important car that America has produced since the automobile became a necessity of daily living.

It fills the needs, the wants, the purchasing power of all America as no other car has done in the last ten years.

It is rugged. It has outstanding maneuverability, handles and parks easily, and is powered with our new Supersonic Engines which deliver up to 30 to 35 miles to the gallon.

The Henry J is the lowest-priced car in the low-price field. It has the full, generous proportions to which Americans are accustomed. We have given it the best combination of performance, comfort, styling, and economy of operation.

It is the car that you and every American family can afford to buy, to operate, to maintain...and be proud to own.

Henry J. Kaiser

The Henry J...the lowest-priced car in the low-price field.

The most important new car in America!

Here today...The Henry J

Available in two models: Henry J (as illustrated above), Henry J DeLuxe (six-cylinder at additional cost).

Important because...it's Smart! Smart to look at...smart to own! Notice the extra-wide doors...front seat 58 inches wide...head room and leg room galore! And—look! The back of the rear seat folds forward, giving you 51 cubic feet of storage space, almost double that of the largest sedan trunk compartment!

Important because...it's Tough! Husky, Double-Channel Frame, reinforced like a steel bridge! The rear axle Hypoid geared, as in most expensive cars. Extra-wide windshield and windows give you the largest vision area in any low-priced car...short turning radius permits the easiest parking.

Important because...it's Thrifty! You get 30 to 35 miles per gallon from the quiet, responsive Supersonic Engines. (Henry J—4 cylinders, Henry J DeLuxe—6 cylinders.)

Lower first cost...lower maintenance...lower repair bills...lower insurance...lower operating cost. Your savings, in just two years, can more than total the down payment on the Henry J.

Built to Better the Best on the Road!

Costs less to buy...less to drive...less to maintain!

MILAM AMONG SIX COUNTIES UNDER BAN

Milam County has been placed under a temporary quarantine because of pink bollworm infestation discovered here two weeks ago.

An order has just been issued by Governor Allan Shivers in Austin at the request of the U. S. Department of Agriculture placing six Texas counties under quarantine because of pink bollworm infestation. These counties are Brazoria, Kerr, Lee, Milam, Travis and Williamson.

J. D. Moore, County Agent, said the quarantine would become official when notice was received from the Governor to County Judge Dan Tyson, who will in turn notify him. Mr. Moore said that immediate reaction would be for cotton gins in the county to institute cleaning and purification tests for all cotton seeds and that signs would have to be placed on all principal highways giving notice of the quarantine.

Under the pink bollworm quarantine, no cotton seed can be shipped out of the county until all infestation has been removed and the seed cleaned and certified.

Infestation was found at Cameron and Thorndale it was reported two weeks ago.

The quarantine places new emphasis on the stalk plow under campaign now being waged through Mr. Moore's office with the cooperation of Southland Cotton Oil Company and Chamber of Comerce. South Texas counties long under ban because of pink bollworms have reduced the menace by an early plow under of stalks.

Mrs. Bill Culver of Houston and Mrs. Edgar Love of Temple visited their mother Mrs. M. W. Price who is a patient in the St. Edward Hospital.

Pete Kunz of Brenham spent the week end with his parents and relatives here. Pete is attending the Blinn Junior College in Brenham.

JAMES THYNE HENDERSON

BRITISH CONSUL WILL BE SPEAKER TUESDAY

(From the Daily)

James Thyne Henderson, Consul General for the British Government at Houston, is due to arrive in the city early Tuesday for ceremonies here when mementos including the log of the Destroyer Cameron will be presented to the city.

A Washington attache of the British Navy will also be here and others may be in the party. Captain Leonard S. Mewhinney with the Naval Unit at Rice Institute and a submarine commander in the late war in the American Navy will be here. He is the son of Mr. and Mrs. Sam Mewhinney of Buckholts.

Mr. Henderson will be among the principal speakers and will present the log and relics from the Destroyer named for the city of Cameron and the famous Scottish clan by the same name in scotland.

The city of Cameron was named for Captain Ewen Cameron, a hero of the Texas Revolution and a member of the ill fated Meier expedition into Mexico.

Mr. Henderson was educated at Sedbergh School and at Oxford University, entering the British Foreign Service in 1925. After required training in the foreign office, he was appointed successively to British Legations in Tehran in Persia, Athens, and Helsinki. In 1935, he returned to the British foreign office in London and was assigned to the Far east ern Department where he became a First Secretary.

Mr. Henderson was attached to the Representative of Finland during the Coronation ceremonies for King George VI in May of 1937. In 1938, he was assigned to the British Embassy in Tokyo and from there, he went to the British Embassy in Chile in 1941.

In his years in the British Consular service, he has succeeded with many assignments and in 1944 returned to the foreign office in London, this time to the Near East Department. In 1946 he was sent by his government to the British Embassy in Stockholm. There he became a Counseler and in 1949 he was appointed British Consul General for the states of Texas and New Mexico with headquarters in Houston.

Mr. Henderson is a Scotsman and Mrs. Henderson is Danish. They have a family of five children, 4 girls and 1 boy.

Cameron is the only city in Texas to have had a warship named for it. The British Navy is currently presenting mementos to all American cities sharing in the long list of names given to 50 Destroyers traded to England in 1941.

Injured Woman Told To Warn Others About Using The Wrong Pot

Mrs. Elizabeth Heintz of Route 4, Cameron suffered an unusual injury recently when she attempted to use an old fashioned pitcher for a slop jar. The pitcher broke and she suffered painful cuts on her bottom.

Mrs. Heintz was treated at a local clinic and is improving and able to be up. She said the Doctor advised her to have something put in the Midget to warn other women to be careful about the kind of pot they use.

Mrs. Heintz recently suffered similar injuries when she was bitten by a dog.

Mr. and Mrs. Billy Longa from New York are spending several days visiting in the home of Mr. Longa's sister, Mr. and Mrs. Raleigh Lamb. Mr. and Mrs. Longa were recently married and are touring this part of the country on their honeymoon.

Mr. and Mrs.Bob Bailey and Ben Hardie, Mr. and Mrs. Milton Lemberg and children James Milton and Richard Boyd of Houston, Thad Bailey of Greenville spent the week end with their parents, Mr and Mrs. B. F. Bailey.

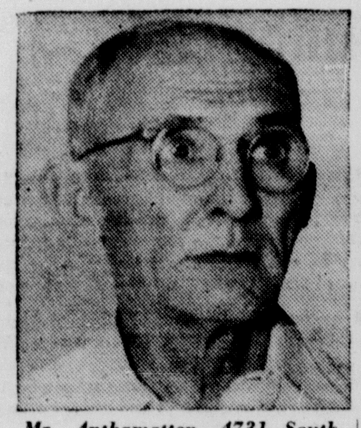
Don't Be Satisfied With Symptomatic Relief!

HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition

When due to lack of Vitamins B_1, B_2, Iron and Niacin in your system!

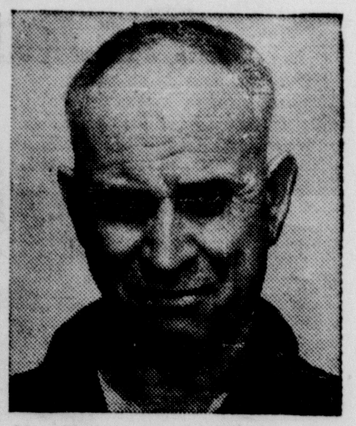
Read How These Folks Benefited Who Had Such Deficiencies



Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma, suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the $3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the REAL CAUSE of stomach distress [gas pains, heartburn, indigestion after eating] due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio. "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL CAUSE of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa, writes: "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results . . . she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great 'builder-upper' for sick, nervous, puny kids whose systems lack precious Vitamins B_1, B_2, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)



Mr. Henry Angel, RD No. 1, Springfield, Ohio. "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the REAL CAUSE of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help *you?* Start taking it today!)

IMPORTANT! Why don't *you* get that *wonderful* HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief — because now it's possible to relieve the CAUSE of such deficiency sickness with that wonderful new HADACOL.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B_1, B_2, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese—vital elements every human being must have to maintain good health. You owe it to yourself to give HADACOL a fair trial. Many doctors recommend this great new HADACOL. It's sold on a strict money-back guarantee. Trial size, $1.25. Large family or hospital size, $3.50.

CUBS RUN WILD IN SMASHING YOEMEN

Cameron Yoemen were handed their worst defeat in years Friday night by the Brenham Cubs behind their great running back, Elwood Kettler. The score was 46 to 13 and is the second impressive win for the Cubs over Cameron in 2 years.

The Yoemen made both of their touchdowns on passes. They passed 20 times and completed 9 for a total of 121 yards while the Cubs passed 9 times and completed 3 for 30 yards.

Eddie Lankford passed to Rosenberg on 25 and 34 yard passes respectively to account for the Yoemen tallies and Rosenberg added the extra point for the initial touchdown.

On the first play from scrimmage for the Brenham team, Kettler, Co-Captain, on an off tackle play ran 76 yards for a touchdown. The Brenham fans went wild as this was a beautiful run behind perfect blocking. He failed to add the extra point.

After an exchange of punts Richard Joswiak on power drives at the Yoemen line carried over from the 2 yard line. Kettler failed to add the extra point.

With four minutes remaining in the first half the Yoemen opened up their touchdown drive. Lankford shook off four or five tacklers and picked up 30 yards. Snodgrass making the tackle. Brenham called time out. Logan subs for Thompson. Batte on a fake hand off to Malone gains 14.

On a sensational pass Rosenberg took it on his 18 yard line and races over for the touchdown. He added the extra point.

The Cubs made another heavy bid for pay dirt but fumbled on the Yoemen 5 yard line, Batte recovering. Logan got off a long kick to Kettler on his 35 yard line. On the next play Kettler passed to Schroeder for a first down on the Yoemen 44 as the half ended.

On the opening play on the second half Logan kicked off to Kettler who took the ball on his 20 yard line and on a spectacular run down the field evaded all the Yoemen to score again making the score 26 to 13.

The Yoemen came right back to score their second touchdown when Landua kicked out of bounds on Cameron's 40 yard line.

Rosenberg passed to Lankford for a first down on Brenham's 42. Then Rosenberg's pass to Malone was good for another first on the Cubs 22. Lankford then passed to Rosenberg who took the ball on his 5 yard line and sprinted over for the remaining yardage to score. Rosenberg failed to add the extra point.

The Cubs took advantage of Batte's fumble and on third down Joswaik on an end around play ran 70 yards for the fifth touchdown. Kettler added the point.

Eugene Bredthauer teamed up with Kettler using the spread formation and single wing to score twice in the fourth quarter. Bredthauer, a 166 pound halfback had plenty of drive and Landua intercepted Lankford's pass intended for Rosenberg and raced 20 yards for one of the touchdowns. Kettler on a fake hand off late in the fourth quarter carried over from the Yoemen 8 yard line. Kettler added the extra point making the score 46-13.

In the fading moments of the game the Yoemen took to the air but failed to complete them as the Cubs were rushing vigorously. The game ended with the ball on the Yoemen 16 yard line in possession of the Cubs.

The Cameron line held good on plays through the center of the line as the Cubs made all their long runs on end around plays. Ermis, Co-Captain, Nathan Offield, Stanislaw, Sheehan, Johns, Thompson and Allen rushed the Brenham ball carriers throughout the game and Brenham was able to complete only 3 passes out of 9.

The Yoemen were penalized 13 times and the Cubs only 3. The Cubs made 17 first downs to the Yoemen 13.

It was estimated that around 4,000 people saw the game for one of the largest crowds in recent years. The Yoemen have an open date September 29.

From where I sit ... *by* Joe Marsh

New Use For Old Windmills

I drove past Larson's farm last week and saw him perched on top of his 75-year-old windmill. "Still planning on tearing it down?" I shouted up to him.

"Not on your life," says Curly as he climbs down. "I'm getting myself a television set from Buzz Ellis' and he says this windmill is going to come in mighty handy."

"You see," Curly went on, "I'm going to put my TV antenna right on top of it. Since the windmill is higher than the house, I'll get the best reception around here—but if it wasn't for Buzz and his advice, I'd have scrapped it."

From where I sit, Curly's success as a farmer and his popularity in town is due, in a large part, to his open-mindedness and his willingness to listen to people and their opinions. He'll listen to Buzz Ellis over a malted milk or he and I can talk politics—each with a glass of temperate beer. Yes, Curly's as modern as television itself!

2 Teen Age Boys Held In Connection With Theft of Cash

Two teen age Cameron boys were temporarily held here Sunday in connection with the theft of $46.00 from a ticket booth at the football stadium, it was said by Sheriff Black.

The boys are Alton Weems and Cecil Baker. A third boy thought at first to be involved in the robbery was taken to jail by his father but it was found he was not involved although the two boys being held said they gave him $4.50 of the money.

According to Sheriff Black the two boys, Weems and Baker took a portion of the money and bought air rifles, a football and a pump. These articles and a portion of the money have been recovered. The money stolen was a part of the proceeds of the Cameron-Brenham game Friday night.

Lawrence Polzer sold tickets at the gate and was later relieved by E. C. Cole. When the game started the money was locked up and was left there Friday night. The money disappeared some time Saturday.

New York Couple On Visit To Texas; Are Guests In Home Here

Mr. and Mrs. Richard Reese of New York have been vacationing in Texas and spent several days in the home of Mr. and Mrs. Henry McLane of Cameron.

Mr. Reese, Sgt. Dick, as many here knew him, recently married and brought his bride to Texas. This was indeed a surprising trip for Mrs. Reese as she had never been in Texas nor had she ever seen cotton growing or Citrus fruits on the trees.

During their visit to Texas, they visited the lower Rio Grande and Old and New Mexico, and Mrs. Reese said that she thoroughly enjoyed Texas hospitality.

Mr. Reese was stationed at Fort Hood during training with the Tank Destroyer Division of World War II. It was at that time that he first became a guest in the McLane home along with 104 other service men. He was overseas in the European Theatre of War under General Patton.

Sharp F. H. A. Chapter Elects Officers For The Coming Year.

Sharp F. H. A. Chapter met Tuesday September 12 to elect officers for the year 1950-51 it was reported by Betty Cummings, chapter reporter.

After the election and installation, plans were made for programs scheduled for the future.

Officers elected are as follows: President, Arlene Janke; vice-president, Frances Cummings; secretary, Sue Drummond; treasurer, Bobbye Love, reporter, Betty Jo Cummings; parliamentarian, Virginia Winfrey; historian, Beverly Garner; song leader, Jeannie Stephens; pianist, Margie Walker; sponsor, Mrs. Roy Barfield.

Club Fathers are C. K. Cummings and Hicks Garner.

Club mothers are, Mrs. J. D. Stephens and Mrs. C. K. Cummings.

The club is looking forward to a successful year with the new sponsor and club fathers and mothers.

Mr. and Mrs. Jesse Ellis of Lufkin were in Cameron Friday on their way home after a visit with relatives here and their old home near Killeen in Bell County. Mr. Ellis is an automobile dealer in Lufkin. While in the city, he visited with John Allen who has been critically ill for several days and also visited with his cousin, Mrs. J. B. White.

Mrs. Standard Ill

Mrs. C. J. Standard has been seriously ill at the home of her daughter, Mrs. Harold Wade for the past five weeks, and her condition remains serious. Mrs. Standard is nearing her 90th birthday.

Betty Lou Frith of Milano is among the patients in Newton Memorial Hospital for treatment.

Greer Condry of Hoyte was in the city Tuesday afternoon to transact business.

Mrs. Daisy Tyson of Maysfield spent a few days this week in the home of Mr. and Mrs. Mann Todd.

Lloyd Stoebner And Ladis Marek Jr. Now At Sheppard Field

Lloyd Stoebner, formerly employed at Citizens National Bank and Ladis Marek of Cameron have been transferred from Lackland Air Base, San Antonio to Sheppard Field near Wichita Falls.

These two young men recently volunteered for service for their country in the Air Corps. They received and passed their physicals in Waco at the Air Force Recruiting station and were immediately sent to Lackland Air Base.

It was reported here that these two young men are enjoying the Air Corps and will be stationed at Sheppard Field for the next 8 weeks to complete their basic training which is known as "boot training."

Tire Rubber Economy
Never Possible Before

Into the national achievement record has gone this phenomenal tire rubber economy—never known or possible before!

Not an ounce of wasted rubber yet each tire can give every owner *years*, instead of *miles*, of safety and service—***his one tire investment for years to come.***

With local communities solidly backed by extensive dealer investments in service and maintenance equipment, **all of the *original* safety mileage** of these unique tires is continuously renewed and renewable—**when other tires are giving up their lives.**

They are tires that work and serve at the very *heart and core* of the national economy in normal times, and **in every possible rubber emergency.**

They have set up **entirely new standards of safety and mileage** by which other tires are now being judged and measured, everywhere in the United States.

Whether with black, or with whitewalls, they provide their *exclusive Protective Curbguard*, their *new Royaltex Tread and Traction*, and they deliver up to *60% more safe mileage*.

They have resulted from many years of continuous research, experience and U. S. Rubber investment. They are the only such tires in the world, **priced as low as life and safety permit.**

They are the tires that now roll and serve with the nation, with tire rubber economy never known before, remaining *fresh and new in safety* when other tires are giving up their lives.

Two Boys Held For Robbing Ticket Booths May Be Released

Two teen-age Cameron boys detained on charges of robbing a ticket booth at Yoe Stadium and stealing $46.00 in money may be released without punishment it was learned here today.

County Attorney, Ed Gunn said that Cecil Baker, 13 will in all probability be paroled to his parents. Alton Weems, 15, it was said is due to go to a hospital for an operation and the court, it was said, may take this into consideration and delay in sentence may be expected.

Weems has already served some time in the Reform School in Gatesville, having gone there at the age of 10 years. Final disposition of the cases will be up to Judge Morrison in District Court.

Holly Hariston of Marlow Community was a business visitor in the City Tuesday.

Sam White Awarded Free Houston Trip

The American General Life Insurance Company is honoring its field representative with a trip to the Home Office in Houston.

Sidney L. Loveless, District Manager of College Station, has announced that Sam White, local representative, has qualified for this all expense paid trip with more than double necessary requirements.

Mr. White will leave for College Station Thursday where he will join Mr. Loveless and other associates for the trip to Houston. Among church, community and civic activities, Mr. White is also chairman of the Dairy Committee at the Chamber of Commerce. He lives up to his motto of service.

BRITISH ADMIRALTY—
(Continued from page one)
the proud ships of war that sustain British Naval might on the seas.

City Attorney Roy Baskin accepted the mementos in a well chosen address in which he put great emphasis upon the value of the bases given to the United States in the Atlantic in exchange for these Destroyers and also praiseil the British people for their heroic stand in the face of the light of freedom in the world and as Winston Churchill said, "The New World went to the rescue of the old."

The zest of the sea was added to the program when Captain John Holmes representing the British Navy and attache in Washington, told the story of how the sea lanes were kept open during the war, often when the British people had only a few days of rations ahead. Captain Holmes went into some detail in his address to discuss the necessity for spreading then, British sea power at a time when Britain stood alone upon the high seas. He too paid tribute to the common bond of understanding between the American and British people and was happy to bring this warm message from His Majesty's fleet.

Mr. Baskin presented the mementos to Superintendent W. T. Haines who moved at once to an eloquent address that encountered with fine spirit, the relations between this country and Great Britain.

Captain Leonard Mewhinney formerly of Cameron and a native of Buckholts, was here to afford representation from the U. S. Navy in the ceremonies. He gave a history of the Destroyer built in 1918 in Massachusetts. "This ship," he said, "was put in the mothball fleet and later after the war was over was returned to service in the Navy before being traded to Great Britain." Captain Mewhinney Commander of the Reserve Officers Training Unit of the Navy at Rice Institute and a submarine Commander in the late war, saw first hand, the roll played by the Navy and praised the British Navy, not only for its part in these engagements but for its influence for hundreds of years in shaping the course of world events as only sea power can do in the progress of mankind.

Rev. George J. Duda, Priest at St. Monica's Catholic Church, gave the invocation and Rev. Percy A. Corkern, Pastor at First Baptist Church gave the benediction.

ANCIENT KOREAN—
(Continued from page one)
sponsored republic.

A U. S. First Cavalry armored task force forged a link of steel between U. N. Forces in the south and north It raced 106 miles in a lightning sweep to splice the last gap.

The link-up with Seventh Division patrols from Inchon-Seoul was made late Tuesday night in the walled town of Chanji 25 miles south of Seoul.

It came within a mile or two of the spot where the first American soldier of the Korean war was killed July 5.

United Nations forces fanned out on both sides of the long Pusan-Inchon line, liberating big areas from Red bondage.

"While mopping-up fighting is still in progress," Generad MacArthur reported, "all effective escape routes are closed and the fate of the North Korean forces caught in this pocket is sealed."

How many were trapped was a mystery.

Two weeks ago, just before the Inchon second front landings began, 130,000 Red Korean troops were massed against the Pusan beachhead, fighting to drive the Allies into the sea.

But AP correspondent Don Whitehead reported in a dispatch from Seoul that the Red divisions in the south "seem to have evaporated—dissolved into thin air."

Whitehead said American planes had not spotted any large northward movement of troops.

Many Reds have been reported changing into white civilian clothing and scrambling cross-country toward their northern homes.

Rear guard units still fought delaying actions against the on-rushing Allied troops.

Captain and Mrs. Rudolph Michalka, Mrs. Louis Trdy and daughters, Miss Bessie Trdy, Edmund, Alma and Florence Boedeker and Miss Martha Moraw all spent a most enjoyable day as guests in the new home of Mr. and Mrs. Anton Hosch near Temple last Sunday.

Bill Storey is under treatment at Southern Pacific Hospital in Houston. His many friends in Cameron wish him a speedy recovery. Mrs. Storey is with her husband and is visiting relatives in Houston and Pasadena.

Mr. and Mrs. Ralph Koepf of Snyder visited relatives and friends in Cameron several days the past week.

DISTRICT INSTITUTE WILL BRING WOMEN LEADERS

(From the Daily)

Club Women representing the Four-the District of the Texas Federation will convene in Cameron at 10:00 A. M. Thursday September 28.

This institute will be in session for one day and will close at 2:00 P. M. It is being conducted by Mrs. H B. Gillette, District Vice President of Houston.

Mrs. A. T. Carleton, Fourth District President of Houston will also be in Cameron as a guest of the club women here.

The opening session of the institute from 10:00 to 12:00 will be held at Cameron Theatre and following to conclude the program, a luncheon will be given in the basement of the Methodist Church.

This institute will be attended by women from all organizations in the city including churches as well as club women from a radius of 50 miles of this city. Mrs. W. A. Morrison, prominent club woman here said that all women in Cameron who plan to attend the institute should telephone by Wednesday to make their reservation. This is important because the luncheon will be arranged on the basis of the number who are to attend .

Mrs. Gillette has conducted these institutes throughout the Fourth District and women here are looking forward to her visit because of her experience and wide knowledge of club work.

Sunday guests in the home of Mr. and Mrs. Vernie Miller were Mrs. Walter Harris, Miss Verna Miller of Cameron, Will Harris and daughter of Cleburne, Mr. and Mrs. George Gamble of Sharp and Doris. Mrs. Miller served a delicious dinner in honor of Miss Verna Miller's Birthday.

Mr. and Mrs. Frank Winkler of near Hoyte visited in Cameron Saturday.
